To All,

Effective June 1, 2013, I am resigning from the BZC. Kathy and I are becoming Tennessee residents in this current year, and we think it is appropriate for me to resign at this point in time. In the next few days, we are declaring to the State of Ohio that we are no longer residents of Ohio (Greene County) and that we are meeting the requirements to become residents of Tennessee.

Please keep in mind that we are retaining our home in Sugarcreek Township and will continue to maintain our strong interest in zoning and other Government issues within the Township. However, at this time I believe that it is not appropriate for me to continue serving on the BZC.

I have enjoyed my service on the BZC and other committees over the past 16 years,.....and should we reestablish residency in Ohio in the future, I look forward to serving the Township in same or similar roles.

Charlie
