Regarding: **Declared Excess Property**

Please place before the Board of Trustees the following list of Excess Property with a value less than \$2,000.00.

- Due to the age (12 years old) and the potential for significant repair costs associated with the 4WD system, I recommend that #111, a 2002 Ford 4WD Expedition, VIN #1FMPU16L63LB01665, be declared obsolete and or excess equipment and be retired from the Police Fleet. This vehicle has 81,668 showing on the odometer and has approximately 2500 idle hours on the engine. With these factors in mind, I request that we dispose of this vehicle as obsolete and excess equipment.

Respectfully submitted,

Michael A. Brown
Chief of Police
