Dear Chief Pavlak,

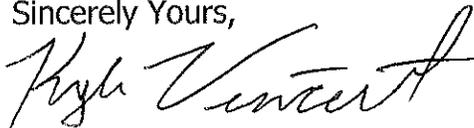

I am writing to inform you that I have been accepted into Paramedic training.

As a result of this I needed to reevaluate my time commitments to the departments to which I am currently employed part-time in order to study and attend classes.

In doing this I have concluded that the time I spend working at Sugarcreek does not provide me with the level of on the job training experience that I am getting from the other departments I am working part time at.

Thus I would like you to accept this as my letter of resignation effective October 1 2014.

Sincerely Yours,
