

Administrator's Report to the Trustees
February 1, 2016

The following represents a brief update of the activities, information and issues which the Administration is currently working on:

- An order should be placed for the decorative railings to install on the bridge on Clyo Road. This will be the final item for the road project. Comments from the public on the roadway have been very positive.
- Centerpointe Drive Extension engineering work continues. We are working with the land owners to ensure the balance of the property is marketable for future use and sale.
- Discussions continue with a non-profit agency regarding a location for them in the Township. We have connected the with a landowner to continue discussions.
- Attended the Ohio Township Association conference in Columbus along with Trustees Destefani and Pittman. Items of interest from the conference include:
 - Attended a Legislative Reception at the Statehouse. We were able to engage 6-10 legislators to directly address issues that are before the House or Senate affecting Sugarcreek.
 - Presented a session at the conference entitled, "An Overview of Township Zoning". Stephanie Hayden was scheduled to present but was not able to and asked that I present in her place.
 - Chaired the annual meeting of CLOUT to review actions of CLOUT, legislative priorities, and election of the Clout Board. Was reappointed to the CLOUT Board of Directors for the next two year term.

Respectfully Submitted,

Barry P. Tiffany
