To whom it may concern,

As of today September 21, 2019 I would like to put my two week notice in as a FF/EMTB. It comes with great sadness that I have had to come to this decision, but I have thought long and hard about this process and I feel that it is time to make this transition in my life. I am very thankful and grateful for the opportunity that was given to me that has allowed me to grow and become a great asset to the department. As of October 3 ,2018 at the end of shift I will turn in all departmental gear that was given to me.
