Sugarcreek Township Fire Department
4398 Clio Road
Dayton, Ohio 45459

Attn: Chief Jeff Leaming,

To the Sugarcreek Township Fire Department,

Horton Emergency Vehicles Company, a company based in Grove City, Ohio, hereby proposes and agrees to furnish to you the following Emergency Medical Vehicle upon your acceptance of this proposal:

One (1) Horton 623 Type 1 aluminum body conversion, with 'Pass-Through modification', mounted on a 2019 Ford (4X4), 189" F-550 cab/chassis, delivered in accordance with the attached Ohio STS Pricing Schedule and ***Horton Selected Features List***, which we hereby make part of our proposal, complete and delivered for the sum of **\$229,897.00**, due on completion and delivery of unit.

Due to the scarce availability of component parts, and in spite of spiraling costs, we will stand behind our contract price. Therefore, we do require full payment, at the time of delivery.

The new Emergency Medical Vehicle conversion shall be delivered F.O.B. Dayton, Ohio and shall be delivered within approximately 245 days after receipt of contract at Horton Emergency Vehicles Company, barring any delays due to strikes, chassis availability or availability of component parts or Acts of God. Unless accepted within 30 days of the date above, the right to withdraw this proposal is reserved.

Respectfully submitted,

Horton Emergency Vehicles Company
3800 McDowell Road
Grove City, Ohio 43123

STS Contract Number: 800330
STS Index Number: STS233
Expiration Date: December 31, 2019

CONTRACT EXPLANATION

The State of Ohio Term Schedule requires Horton Emergency Vehicles to breakout the base pricing and option pricing as submitted to the State of Ohio. Any required features that **were not** quoted to the State need to be separated out of the Overall Total and itemized. The result of this is that two separate purchase orders need to be issued for the purchase of the vehicle. They are as follows:

Purchase Order #1: Overall price total as quoted to the State of Ohio under the STS program (includes base price and available options selected)

Purchase Order #2: Itemized price total for **Unlisted Options** not quoted to the State of Ohio under the STS program

As noted in the STS order form, the purchase orders that need to be issued per the price breakdown are as follows:

Purchase Order #1 (with STS Pricing):	\$206,105.00
Purchase Order #2 (Unlisted Options):	<u>\$23792.00</u>
Overall Total:	<u>\$229,897.00</u>

Important: The written contract that Horton Emergency Vehicles has secured is with the State of Ohio.

Schedule 'A' Pricing: Note that only the options that have been selected and include pricing in the **EXTENDED PRICING COLUMN** from the itemized price breakdown are included in the above pricing.
