In that event, Choice One will notify the Client of the need for additional services and the Client will pay for such additional services at an hourly rate or as agreed to by the Client and Choice One.

Project Requirements The Client will confirm the objectives, requirements, constraints, and criteria for the Project at its inception. If the Client has established design standards, they will be furnished to Choice One at Project inception. Choice One will review the Client design standards and may recommend alternate standards considering the standard of care provision.

Period of Service Choice One will perform the services for the Project with due and reasonable diligence consistent with normal professional practices according to the Project Schedule. Should Choice One discern that the schedule cannot be met for any reason, Choice One will notify the Client as soon as practically possible.

Limitation of Liability In recognition of the relative risks and benefits of the project to both the Client and Choice One, the Client agrees to the fullest extent permitted by law, to limit the liability of Choice One for any and all damages or claim expenses arising out of this agreement, from any and all causes, to \$50,000 or the fee realized by Choice One for the Project, whichever is greater.

Compensation In consideration of the services performed by Choice One, the Client will pay Choice One in the manner set forth in the Choice One agreement. The parties acknowledge that terms of compensation are based on an orderly and continuous progress of the Project. Compensation will be reasonably adjusted for delays or extensions of time beyond the control of Choice One.

Payment Terms Choice One will submit monthly invoices for services performed and Client will pay the full invoice amount within thirty (30) calendar days of the invoice date. Invoices will be considered correct if not questioned in writing within ten (10) calendar days of the invoice date. In the event of a disputed or contested billing, only that portion so contested may be withheld from payment, and the undisputed portion will be paid. No interest will accrue on any contested portion of the billing until mutually resolved. Client will exercise reasonableness in contesting

any billing or portion thereof. Choice One will be entitled to a 1.5% per month administrative charge in the event of payment delay. Client payment to Choice One is not contingent on arrangement of project financing. Amendment This Agreement may not be amended except in writing and executed by both Choice One and Client. No alterations or modifications to these Terms and Conditions will be effective unless affirmatively contained in the signed amendment.

Assignment Neither party will assign its rights, interests or obligations under the Project without the express written consent of the other party.

Authorized Representatives The officer assigned to the Project by Choice One is the only authorized representative to make decisions or commitments on behalf of Choice One. The Client will designate a representative with similar authority.

Betterment If, due to Choice One's error or omission, any required item or component of the project is omitted from Choice One's construction documents, Choice One will not be responsible for paying the cost to add such item or component to the extent that such item or component would have been otherwise necessary to the project or otherwise adds value or betterment to the project. In no event will Choice One be responsible for any cost or expense that provides betterment, upgrade, or enhancement of the project.

Buried Utilities Where applicable to the Project, Choice One will conduct research and prepare a plan indicating the locations of underground improvements intended for subsurface penetration with respect to assumed locations of underground improvements. Such services by Choice One will be performed in manner consistent with ordinary standard of care. The Client agrees to waive all claims and causes of action against Choice One for damages to underground improvements resulting from subsurface penetration locations established by Choice One, except for damages caused by the sole negligence or willful misconduct of Choice One.

Construction Observation, If Applicable Construction observation will consist of visual observation of materials, equipment, or construction services for the purpose of ascertaining that the service is in general conformance with the Contract Documents. Such observation will not be construed as relieving the parties under contract in any way from their obligations and responsibilities under the Contract Documents. The Client has not retained Choice One to make detailed inspections or to provide exhaustive or continuous project review and observation services. Choice One does not guarantee the performance of, and will have no responsibility for, the acts or omissions of any contractor, subcontractor, supplier, or any other entity furnishing materials or performing any services on the project.

Defects in Service The Client will promptly report to Choice One any defects or suspected defects in service. The Client further agrees to impose a similar notification requirement on all contractors in its Client/Contractor agreement and will require all subcontracts at any level to contain a like provision. Failure by the Client and Client's contractors and subcontractors to notify Choice One will relieve Choice One of the costs of remedying the defects above the sum such remedy would have cost had prompt notification been given when such defects were first discovered.

Delays The services of each task will be considered complete when deliverables for the task have been presented to the Client. Choice One will be entitled to an extension of time and compensation adjustment for any delay beyond Choice One's control.

Design Without Construction Administration The Client acknowledges that there could be misinterpretations of Choice One Design Documents during construction, which could lead to errors and subsequent loss or damage. The Client assumes all responsibility for interpretation of the Contract Documents and for construction observation and the Client waives any claims against Choice One that may be in any way connected hereto.

Dispute Resolution In the event of a dispute between Choice One and Client arising out of or related to this Agreement, the aggrieved party will notify the other party of the dispute within a reasonable time after such dispute arises. If the parties cannot thereafter resolve the dispute, each party will nominate a senior officer of its management to meet to resolve the dispute by direct negotiation. Should such negotiation fail to resolve the dispute, the Client and Choice One agree that all disputes will be submitted to nonbinding mediation unless the parties mutually agree otherwise.

Should such negotiation or mediation fail to resolve the dispute, either party may pursue resolution by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association.

Any verification or adaptation requested by the Client to be performed by Choice One will entitle Choice One to further compensation at rates to be agreed upon by the Client and Choice One.
