CONDUCT

A public hearing is a formal invitation and opportunity for the public to address concerns regarding an application that has been brought before this Board of Zoning Appeals. Prior to the public hearing, anyone who wishes to speak will be asked to swear to tell the truth regarding any of their testimony. The Chairperson conducts the meeting and must recognize all speakers prior to their speaking. When recognized to speak, please approach the podium, speak only into the microphone and advise the Board of your name and address before you testify. Those who testify may be subject to cross-examination. Testimony should not be redundant. If testimony becomes redundant, the Chairperson will not recognize speakers unless new information is presented. The Chairperson may elect to limit public comments to three (3) minutes per person. Once a public hearing is closed, the public may no longer present any testimony to the Board of Zoning Appeals. The public has the opportunity and right to be heard, but does not have the right to make defamatory, inciting or inflammatory comments.
