Dear Chief Pavlak,

It is with great regret that I must tender my resignation from my position in our fire department effective 1 June 2010. This has not been an easy decision, and is one in which I cannot delay any longer.

Kimberly and I have decided to move to New York. There are many factors influencing this decision - some controllable, others not. As fate would have it, after we independently came to this conclusion, ensuing circumstances forced us to the same outcome. In that, we feel that going forward in this new direction is of God's providence. That doesn't make it any easier, however.

When I was a kid, I used to run outside to gawk at passing overhead aircraft. Now, I run out into the backyard when I hear approaching sirens to gawk at Big Blue engines that scream by.

When I signed on as a volunteer with this department, hallow platitudes such as "to give back to my community" served as a justification for time served. This morphed into serving and protecting my brothers and sisters, forging bonds and experiences that will never be forgotten.

Thank you for your trust in me over the years. I pray that you and this department will continue to grow and thrive, and that everybody goes home.

Sincerely,

Rob Conway
