## MEETING CONDUCT AND GUIDELINES

As Trustees of Sugarcreek Township, we encourage residents to attend our Township Meetings. We appreciate you taking time out of your busy schedules to be a part of your Government in action. To help meetings move along in a positive manner, we have established the following guidelines for our meetings:

This is a Township Business meeting and is to be conducted in a professional, business-like manner. It is not our intention to embarrass or demean each other or any members of the audience. We will treat each other with courtesy and respect and we ask for the same courtesy and respect from the audience. No one will get special treatment. These guidelines are for all of us.

As a professional meeting should not go longer than an hour to an hour and a half, it is our intention to stay within a reasonable time limit and follow the agenda.

There will be an Open Discussion at the end of the agenda for the audience to give comments on Township issues. When you have a question or comment, please go to the microphone, state your name and address and direct your question to the Trustees. Please try to limit your comments to 3-5 minutes so as to allow everyone an opportunity to speak.

We appreciate your input. We will not allow any personal attacks or any type of outbursts or profanity from the audience.

If you have any personal comments that you would like to make to us as individuals, please feel free to call the Township Administrative offices or allow us to set up a time to speak with you individually.

It is our goal that meetings are productive and positive. We will do our best to conduct effective, professional meetings.

Thank you.

Sugarcreek Township Trustees

**Administrator's Report to the Trustees**  
**April 7, 2025**

The following represents a brief update of the activities, information, and issues which the Administration is currently working on:

- We continue to wait for the final release of the AER and final design choice on the I-675/Wilmington Pike Corridor project. We have a meeting scheduled this Friday and hope to wrap things up on the AER at that point and move forward.
- Groundbreaking for the Veterans Memorial took place last month and we are currently waiting for the approval of the County Engineer to move forward. I sent a message to the sculptor and have not received a reply.
- Township resident Gavin Ayers and two of his classmates will begin the cleaning of headstones at the Pioneer cemetery beginning today. This community service project is part of the curriculum at the middle school.
- Feedwire Farm has finally received approval to move dirt and that work should begin as the soil dries out. Final approval of the County Engineer is still pending.
- Cara and I met with a home building company who is looking to enter the market in Sugar Creek Township.

**The Board of Trustees of Sugarcreek Township, Greene County, Ohio, in Regular Session on March 17th, 2025, at 7:00pm.**

**1) Mr. Cramer called the session to order at 7:01pm.**

**2) Mr. Demko called the roll with Board Members Mr. Cramer and Mr. Moeller in attendance.** Also, in attendance were Barry Tiffany, Cara Tilford, Justin Windsor, Chief Doug Buffenbarger, Chief Mike Brown, Louie Schatzberg, Donna Hellmann, Jim McGinley, and Denise Moore.

**3) All in attendance stood for the Pledge of Allegiance.**

**4) Swearing in of Fire Department Staff – Mike Neal**

**5) Reports**

**Administration**

Mr. Tiffany reported that he is still waiting for AER comments. He hopes to announce the CenterPoint project in the coming weeks, pending closure. He is also working to add more streets to this year's paving bid.

**Zoning**

Mrs. Tilford had nothing to add to her report. Mr. Moeller asked whether neighbors had been notified about BZC Case 02.2025. Mrs. Tilford confirmed all neighbors were notified, with no objections received. Mr. Cramer asked if the BZA has a full roster. Mrs. Tilford answered yes, with one member, Mr. Froehlich, up for reappointment at this meeting. Mr. Moeller asked whether a resolution requiring all applicants, including reappointments, to be interviewed by the trustees was in place. Mrs. Tilford recalled the reorganization resolution but did not believe it applied to reappointments. The Borad agreed to revisit the matter later.

**Fiscal Officer**

Mr. Demko reported that there is no difference between the temporary appropriations submitted in December and the permanent ones. He noted that the permanent appropriations are slightly over \$1 million higher than last year, due to the inclusion of Martin funds, additional paving funds from reserves, and the payoff of the fire truck, keeping expenses essentially level year to year.

**Fire**

Chief Buffenbarger had nothing to add to his report.

**Police**

Chief Brown had nothing to add to his report.

**Roads and Service**

Mr. Windsor had nothing to add to his report.

### **Information Technology**

Mr. Tiffany reported that they are having issues with the bange readers at Station 71. Old cards work, but new ones do not, and the problem seems to be with local equipment, not the connection between buildings. He mentioned that they are awaiting bids for an updated system.

### **Trustees**

Mr. Moeller attended the Greene County Health District Budget Meeting, the Township Association Meeting at Athletes in Action, the Miami Valley Executive Board and Regional Planning Meeting (where he was reappointed to the Executive Board), the Chamber of Commerce Meeting, the Carpenter Creek Open House, and the Greene County Mitigation Meeting.

Mr. Cramer noted that the trustees reserved a letter from the Mayor of Oakwood thanking them for the proclamation honoring his service. He also attended the Eagle Rise HOA meeting, the Chamber meeting, the Veterans Memorial Park groundbreaking, and the Leukemia and Lymphoma Gala.

### **6) Public Comments – Agenda Items**

Jim McGinley noted he has yet to receive a response to his February 3<sup>rd</sup> request regarding the board's actions on the National Emergency Declaration on Illegal Immigration and gang classification as terrorist activity. Mr. McGinley provided a report that stated ICE and local law enforcement have arrested 32,000 illegal immigrants under the 287G program. The trustees, Mr. Tiffany, and Chief Brown discussed their understanding of the report with Mr. McGinley.

Denise Moore expressed concerns overing stopping people without cause. Regarding national security, she feels there is debate on whether it is an issue or not. Ms. Moore asked for clarification on the proposed elimination of regional planning organizations. Mr. Tiffany and the board noted that a senator and congressmen from Cleveland are pushing to dissolve MPOs, likely for cost savings and to centralize funding control at the state level.

### **7) Old Business**

Mr. Cramer regrets not having a response to Mr. McGinley's letter prepared and commits to having it ready by the next trustee meeting. Ms. Moore asked whether the response will be posted publicly and if there will be a public statement on the community's stance. Mr. Tiffany responded that the police, firefighters, and officials take an oath to uphold the U.S. Constitution, as well as the laws of Greene County and Ohio. We will continue to follow those guidelines.

Candace Sarber asked the trustees for their thoughts on the Elliott Woods development project. The trustees noted that the plan has not yet been shared with them. Mr. Tiffany explained that under state law, it first goes to the Zoning Commission and Regional Planning. After their review and recommendations, it comes to the Board for consideration.

**11) Trustee/Staff Discussions**

Mr. Tiffany noted that Chief Buffenbarger followed up with Sutton to finalize pricing and modifications for the new fire engine that was order last year. While the trustees support the changes, they are hesitant to purchase an extended warranty with the upcoming levy. Since the engine is already covered by a five-year manufacturer warranty, they decided to hold off on additional coverage.

Mr. Moeller made a motion to approve modifications but exclude additional warranties.  
Mr. Cramer seconded.
