

## Bellbrook Middle School

Strategy Type (which of the 5 E's)	Strategy Detail	Time Frame	Responsible Party	Status	Estimated Cost	Possible Funding Source	Percent of Students Affected
Education	Bike Rodeo	Completed	City of Bellbrook	Completed	\$250	City of Bellbrook	100%
Education	Publication/distribution of walk/bike route maps	Ongoing	SRTS Committee/ Sugar creek Local Schools	In design phase	\$2000	ODOT	100%
Education	Driver Pamphlets	Ongoing	SRTS Committee	In design phase	\$1475	ODOT	100%
Education/ Encouragement	SRTS Video	Ongoing	SRTS Committee/Sugar creek Local Schools	In design phase	\$2500	ODOT	100%
Evaluation	Conduct more surveys, compile information, report to ODOT	Periodic and ongoing	Sugar creek Twp. and Sugar creek Local Schools	Started in 2008 and ongoing	\$1000- printing	ODOT and Sugar creek Twp.	100%
Enforcement	Increased police presence during arrival and departure along SRTS routes	Ongoing	Sugar creek Twp. and Bellbrook	Planning/Funding Stages	?	City of Bellbrook and Sugar creek Twp.	100%

## Bellbrook Middle School

Education/Enforcement	Safety Patrol Program	12-24 months	Sugarcreek Local Schools and SRTS Committee	Planning/Funding Stages	\$5000	TBD	100%
Encouragement	Install bike racks	12-24 months	Sugarcreek Local Schools and SRTS Committee	Planning/Funding Stages	\$5000	Lions Club/local businesses/school district	100%
Engineering	Construct a sidewalk along the east side of the main school drive from Feedwire Road to the Bellbrook Middle School building (approximately 1,300 LF). This improvement will also require crosswalk pavement markings at the two parking lot drives at the school.	12-24 months	Sugarcreek Local Schools and SRTS Committee	Will be constructed with projects below by school district	\$44,000	School District	100%

## Bellbrook Middle School

Engineering	Upgrade the pedestrian facilities at the Feedwire Road/Upper Bellbrook Road/Pine Court intersection. Install pedestrian signal heads, push button activators, and crosswalk markings on all four legs of the intersection.	12-24 months	Sugar creek Township and SRTS Committee	Engineering	\$347,500 (cost includes two projects below)	ODOT-\$330,000 School District-\$17,500	50%?
Engineering	Construct a ten-foot asphalt bike path along the south side of Feedwire Road from the school driveway to Upper Bellbrook Road (approximately 1,200 LF). Construct of the path may require lengthening a culvert or bridging the stream approximately 300 feet west of Upper Bellbrook Road	12-24 months	Sugar creek Township and SRTS Committee	Engineering	\$347,500 (cost includes projects above and below)	ODOT-\$330,000 School District-\$17,500	100%

## Bellbrook Middle School

Engineering	Create a pedestrian crossing on Feedwire Road on the east side of the school driveway. This crossing should consist of high visibility pavement and pedestrian actuated overhead crosswalk signage to heighten visibility of pedestrians crossing at this location.	12-24 months	Sugarcreek Twp. and SRTS Committee	Engineering	\$347,500 (cost includes two projects above)	ODOT-\$330,000 School District-\$17,500	50%?
Engineering	Construct a ten-foot asphalt bike path along the south side of Feedwire Road from Eden Meadows Way to the school driveway (approximately 1,600 LF). Install a crosswalk at Adams Place. May require lengthening a culvert or bridging the stream located just west of the school drive.	24-36 months	Sugarcreek Township and SRTS Committee	Planning Stages	\$254,224	ODOT	20%?

## Bellbrook Middle School

Engineering	Construct a sidewalk along the east side of the northern school drive from Carpenter Road to the Bellbrook Middle School building (approximately 1,000 LF). A crosswalk will also be required across the entrance to the bus parking lot on the north side of the school.	24-36 months	Sugar creek Township, Sugar creek Local Schools and SRTS Committee	Planning Stages	\$40,000	ODOT	20%?
Engineering	Install a crosswalk on Feedwire Road at the Roger Scott/Eden Meadows Way intersection (standard pavement markings and advanced signage).	36+ months	Sugar creek Township and SRTS Committee	Planning Stages	\$10,000	ODOT	20%?

## Bellbrook Middle School

Engineering	Construct sidewalk along the south side of Carpenter Road from Glory Drive to Upper Bellbrook Road-Phase 1: Glory Drive to the school drive	36+ months	Sugarcreek Township and SRTS Committee	Planning Stages	\$45,000	ODOT	20%?
Engineering	Construct sidewalk along the south side of Carpenter Road from Glory Drive to Upper Bellbrook Road-Phase 2: School Drive to Upper Bellbrook.	36+ months	Sugarcreek Township and SRTS Committee	Planning Stages	\$79,000	ODOT	20%?
Engineering	Construct a ten-foot asphalt bike path along the south side of Upper Bellbrook Road from the Feedwire Road/Upper Bellbrook Road/Pine Court intersection to Kables Mill Drive (approximately 1,850 LF)	36+ months	Sugarcreek Township and SRTS Committee	Planning Stages	\$60,000	ODOT	30%?
